ANALYZE GLOBAL

ANALYZE MODULE

- Global Reports
 - Analyze
 - Express

- 1) Login to Alien WARP with your security access details and select the Analyze Module
- 2) Click on the Analyze action icon.
- 3) You now have five tabs to use for your report on the top banner. The banner include the ones that are the filters applied to the In-put/Output report.

Pdct#	Name	Stock#	InDate	Tot Qty Recv.	St	End OH	27 2024	28 2024	29 2024	30 2024	31 2024	Period Sales	Avg Sell Rate %	%Sold
18	Diesel 50PPM	10000101	2023/08/01	348396.4500	348396.4500	347506.45	830	60				890	148.33	0.26
30	Tyre Replacement	16000001	2024/04/09	16.0000	16.0000	347520.45	14	2				2	0.33	12.50
				348412.45	348412.45		830	62		0	0	892		0.00

- 4) The 1st tab is the “input / Output” report which will display a specific period’s start off & stock received date - as well as the end of on-hand stock, other data will include the period details, sales for the period as well as average and % of sales is presented.
- 5) The report can also be viewed in a graph format.
